The ASC developed the LIFE Conference to build on positive leadership skills, including attentiveness, ambition, teamwork, cooperation, communication, creativity, cultural knowledge, respect, and a strong sense of social responsibility. TCU student leaders are increasingly called upon to represent their tribal college, advocate for the tribal college movement, and work to serve their college community. The ASC wants every participant of the LIFE Conference to develop a better understanding of their individual role and the role of their community in the wider TCU movement and the skill sets and know-how to address the challenges and opportunities of the student bodies they serve.

All onsite lodging and meals during the LIFE Conference will be provided through funding from AIHEC and the Coca-Cola Foundation/American Indian College Fund. TCUs are responsible for student travel and meals, if any, to and from the conference venue.

Completed student participation packets must be returned to the Selection Committee prior to 5 PM EDT on **July 22nd, 2024**. Get your application in EARLY to improve your chances to participate!
