American Indian Higher Education Consortium (AIHEC)

Financial Conflict of Interest (FCOI) Disclosure Form for Award Funding

DISCLOSURE FOR AWARD FUNDED PROPOSALS AND FUNDED PROJECTS

All Principal Investigators (PIs) and all other investigators/personnel, where required, who have or share responsibility for the design, conduct, or reporting of federally-funded projects must disclose all significant financial interests of the investigator (including those of the investigator's spouse/registered domestic partner and dependent children) (i) that would reasonably appear to be affected by the research or educational activities funded or proposed for award funding; or (ii) in entities whose financial interests would reasonably appear to be affected by such activities.

Significant financial interests are involved and must be disclosed where one or more of the following financial interests of the investigator (and those of the investigator's spouse/domestic partner and dependent children) reasonably appears to be related to the investigator's Institutional responsibilities.

A *significant financial interest* exists if an <u>equity interest</u> that, when aggregated for the investigator and the investigator's spouse/domestic partner and dependent children, **exceeds \$5,000** in value as determined through reference to public prices or other reasonable measures of market value, and/or represent **more than a 5%** ownership interest in any single entity.

A significant financial interest exists when <u>salary</u>, <u>royalties or other payments</u> that, when aggregated for the investigator and the investigator's spouse/domestic partner and dependent children, **have exceeded or are expected to exceed \$5,000** during any immediately preceding or following 12-month period.

For award funding, significant financial interest *does not* include:

- Salary, royalties or other remuneration from AIHEC
- Income from seminars, lectures, or teaching engagements sponsored by public or nonprofit entities
- Income from service on advisory committees or review panels for public or nonprofit entities
- Equity interest and/or salary, royalty and other payments do not exceed the thresholds in the section regarding award funding, as applicable
